

What should I do if a manhole cover is rattling or sewage pipes are clogged?

Please inquire with your local Branch Office of the Bureau of Sewerage.

If you notice any irregularity with a manhole cover, or if any trouble such as clogging arises related to your sewage pipes or public sewage inlets, please contact your local Branch Office.

A request concerning illegal garbage dumping

- Do not improperly dispose of sewage, contaminated mud, mortar, liquid waste, or other waste matter into manholes or sewage inlets.
- Improper disposal of such matter will result in a prison sentence of up to 5 year or a maximum 10,000,000JPY fine under the Waste Management and Public Cleansing Law.
- If you witness a vacuum truck or other such vehicle dumping the waste, please report this to your local police station or sewerage office (See the back cover).

We appreciate your cooperation in our efforts to maintain adequate sewerage system management.
