

Where can I get a manhole card?

It is distributed at three locations, including the Tokyo Sewerage Museum “Rainbow.”

Manhole cards show a manhole cover with different designs from all over Japan and are certain to excite any collector.

The Bureau of Sewerage of the Tokyo Metropolitan Government distributes manhole cards at Tokyo Sewerage Museum “Rainbow,” Former Mikawashima Water Reclamation Center and Pumping Station, and Kuramae Mizu no Yakata Museum.

The design of the distributed manhole cards varies by facility. Don't miss out on this opportunity by visiting the facilities.

(See page 31 for the address and hours of operation of each facility.)
